HOLLAND IS FAMOUS FOR...

"Indeed" for its quality flower-bulbs, but there are many other reasons why Holland is so well known and has become, considering its size, such an important "dot" on the globe; for example its workmanship, its traditions, its delicacies and its art, as shown by us in this catalog, which you will find very interesting, for sure.
On this and the next pages you will find the most popular flowerbulb varieties. In order to help you plan your "Spring Garden" we have numbered each variety according to its blooming time, so as long as you plant one item from each page or category, next spring your garden will be a continuous showplace for 6 till 8 weeks.
